## AVAILABLE MIRROR SIZES

Product Code	Width		Height	
	Inches	Centimeters	Inches	Centimeters
QAIO11045	26"	66.04cm	36"	91.44cm

## AVAILABLE TV SIZES

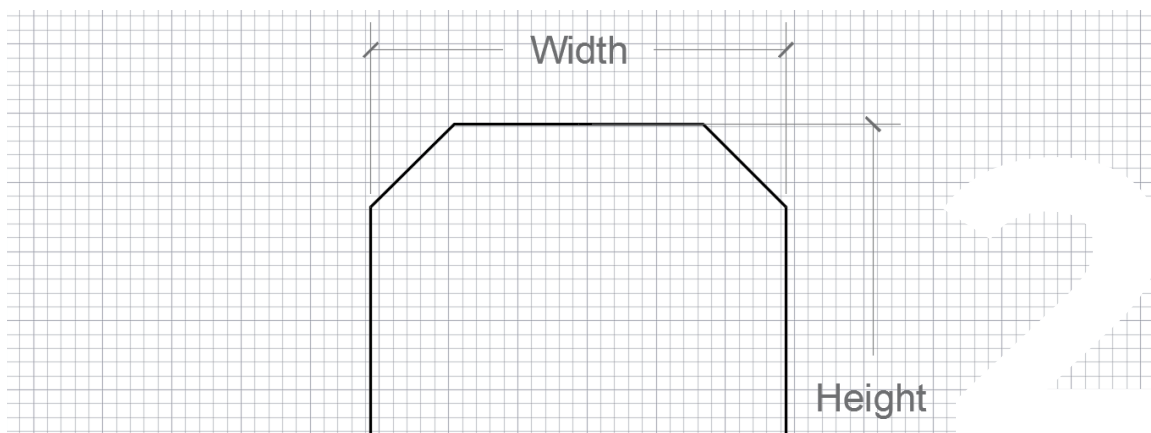

15.6" (Diagonal Size, 720p)

## Know your size

Measure your available space and let us know the width and height of your ideal QAIO.

We can make mirrors up to is 130" wide and 96" high (335cm X 244cm).

## Want a special shape?

If you want a special shape or cut for your mirror, you can send us a paper template or AutoCAD document. We cut our mirrors with a high-precision CAD machine to ensure a perfect fit.

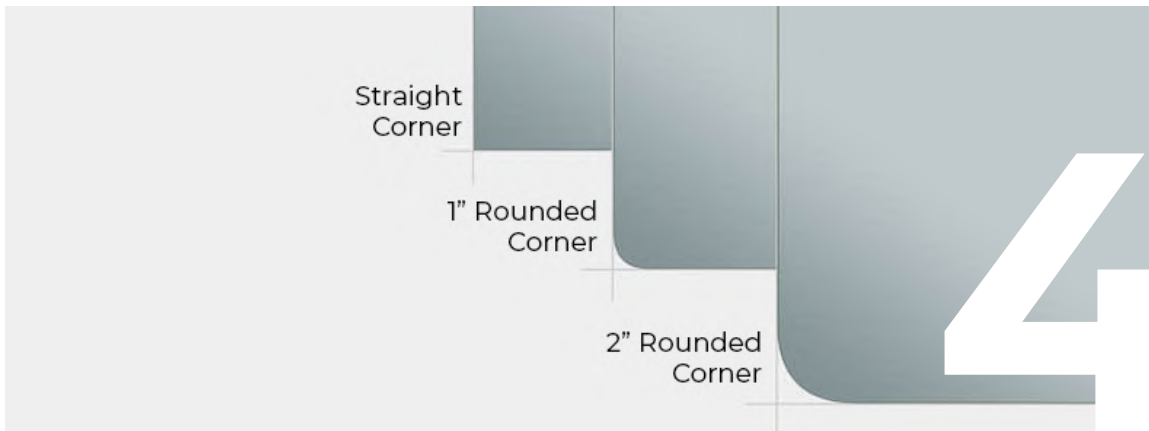

## TV size and location

You can choose TV sizes from 12.1 inches to a large 100 inches, with TVs above 22 inches coming at 4K Ultra High Definition. You can also choose the locations of both the primary and secondary TVs.

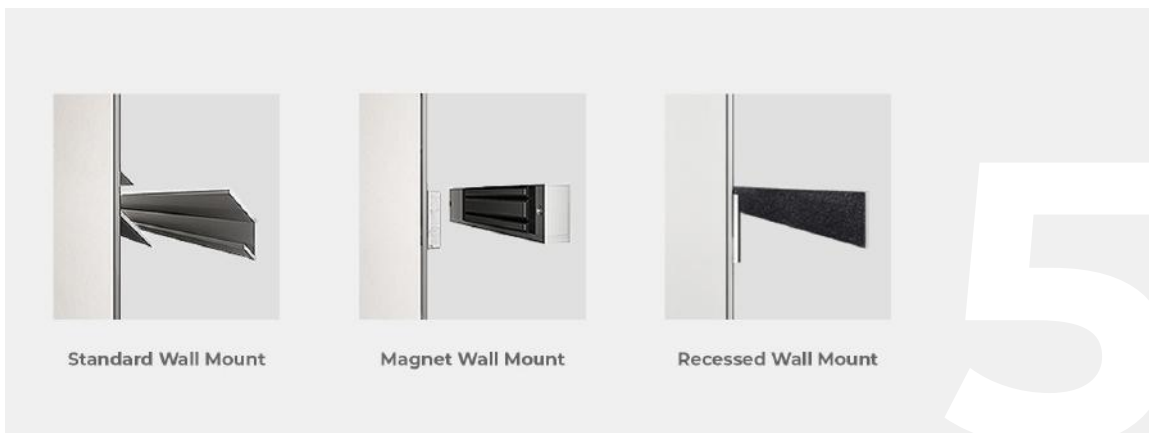

TV Sizes available:

- 15.6" (720p)
- 22" (Full HD)
- 28" (4K)
- 32" (4K)
- 40" (4K)
- 50" (4K)
- 55" (4K OLED)
- 60" (4K)
- 65" (4K OLED)
- 75" (4K)
- 85" (4K)
- 100" (4K)

## Select the style of the corner

Pick what style you want your mirror's corners to be. We can do straight or round corners (with a 1 or 2 inch radius), and gives the edges a beautiful polish.

## Mounting Options

Don't worry about the mounting, QAIO offers Standard Wall Mounts, Magnet Wall Mounts, and Recessed Wall Mounts - all designed to work seamlessly with different builds and spaces. Install your new QAIO in less than 30 minutes with our intuitively designed systems.

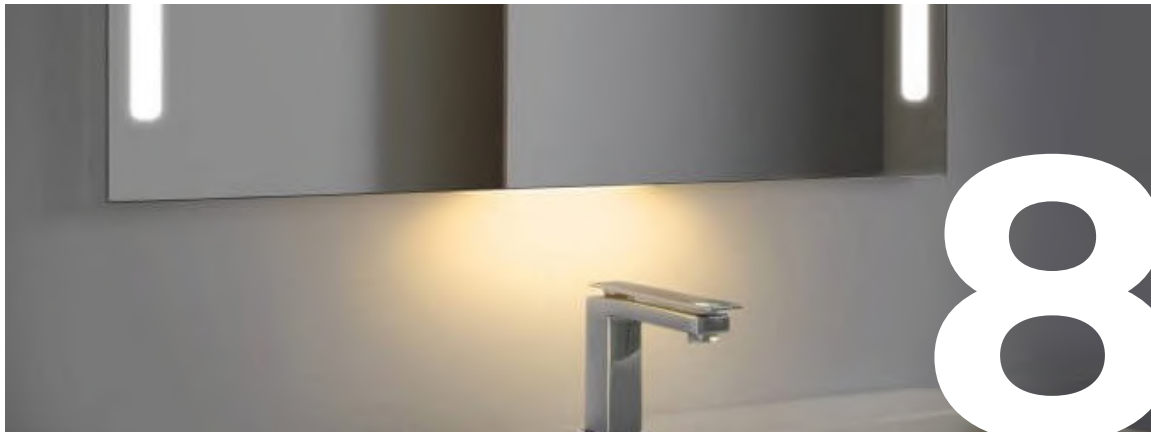

## Cut Outs

Get custom cut outs anywhere in the mirror for your faucet or light fixtures. Our CNC computerized product process ensures every mirror we produce is cut with extreme precision.

## Touchless On/Off

No more fumbling for a switch in the morning - just wave your hand under the QAIO to turn the True Light LEDs on and off. Start your day easier with this wonder of design and convenience.

## Night Light

Woke up in the middle of the night? QAIO has you covered with its automatic nightlight. Turning on as soon as you walk into your bathroom, you can drift back to sleep knowing that your QAIO will be there to shine - no matter when you need it.

(Not available on the QAIO Cabinet Mirror).

# TRUE LIGHT WIRELESS DIMMER
